

# 2021 ANNUAL REPORT

Everyone for Veterans does not receive government funding for our programs. Our mission is put into movement by the generosity of individuals and corporate partners. Even in the midst of ever-evolving circumstances, we received over \$158,000.00 in in-kind services for veterans across the nation.

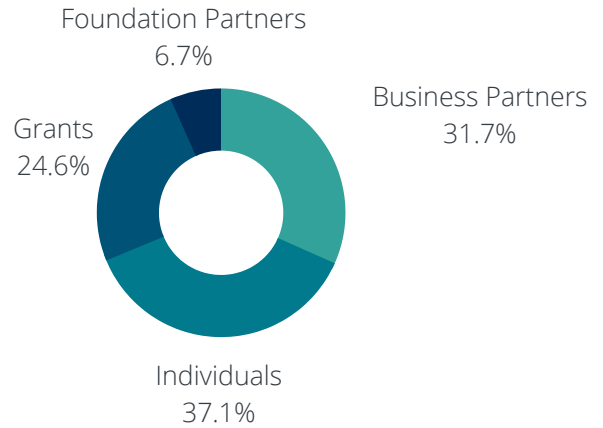

Thank you for your support and partnership.

## National Impact

-  35 States with E4V partnering dentists
-  34 States where veterans have been served
-  States without E4V partnering dentists

## Financial Overview

 & Suzanne Lee

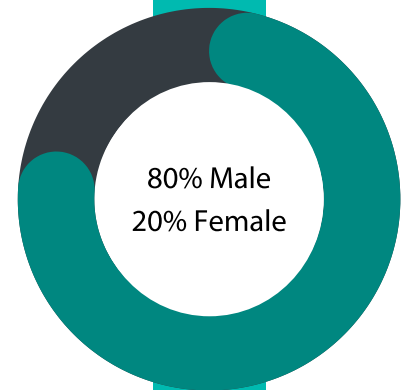

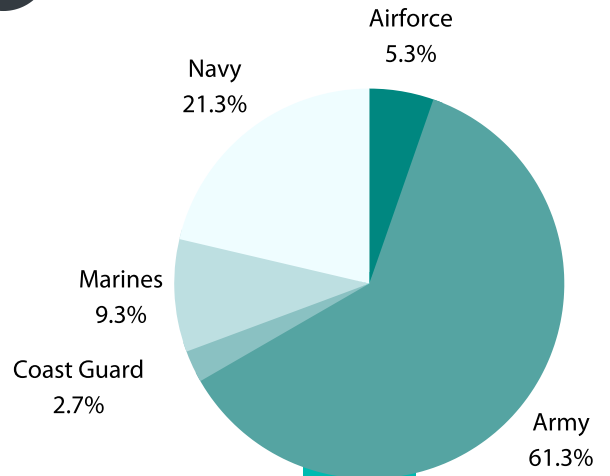

## Top 5 Wingman Requests of 2021

In addition to our dental services, these are the most common requests from veterans and their families in our Wingman Program.

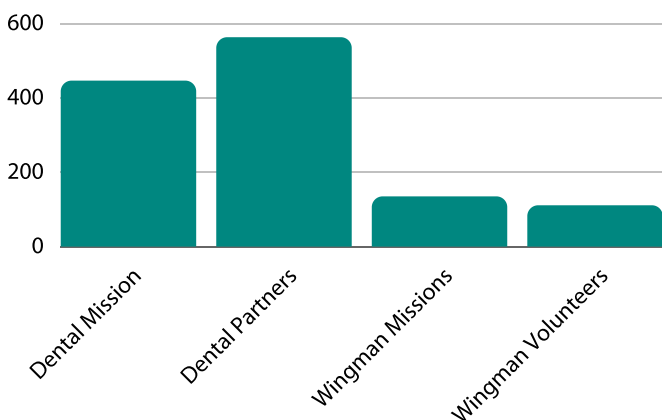

## Meet Our Veterans

**47**  
THE AVERAGE AGE OF A VETERAN IN OUR PROGRAM.

## 5 Year Impact

Since 2017 E4V has provided in-kind services and supports of more than \$975,250.00 through our Dental and Wingman Programs.

## Ways to Support

**Partner:** Your financial support provides help and hope for combat veterans in need. Honor veterans with your gift, donate today.

**Volunteer:** Our volunteers play a crucial role in building better communities and supporting veterans. E4V facilitates opportunities for you to support veterans in practical ways.

**Join:** Our Board of Directors and Ambassador Board are actively looking for new members to join our work of E4V and help advance our mission.

"I can now smile broadly when meeting people, with no fear. It's a liberating feeling...I can eat almost everything now and my teeth no longer hurt"  
-Ray S., U.S. Navy Veteran

## A Message from our Executive Director, Jessica Elwell

As I reflect on my first year with E4V, I am overwhelmed by the outpouring of support that I have seen for our nation's combat veterans. Navigating dental care and tangible supports for veterans in the midst of a global pandemic has presented

several unique challenges and time and again we have risen to that challenge. Your generous support has helped to make good things happen for our veterans and their families, providing comprehensive dental treatment and services at no-cost to those who have sacrificed so much. Here are just a few of the good things that happened in 2021:

- We added 77 new dentists to our national network of providers.
- We welcomed University of the Pacific, Arthur A. Dugoni School of Dentistry to the E4V family.
- Our Founder and Board President, Dr. Theresa Cheng was awarded the 2021 ADA Humanitarian Award for her service to veterans through E4V.
- E4V was awarded the 2021 Spark Award from the Better Business Bureau.
- We added a Program Coordinator to oversee our Wingman Program and support our dental outreach efforts.

We are committed to sustainability, improved infrastructure, and scalability. This year we have added and invested in new staff and a custom database for case management. This will provide a better and more efficient experience for the veterans in our programs. As we look ahead, we are encouraged and inspired to explore even more opportunities for equity and access for the veterans that we serve.

Thank you for investing in the lives of our nation's heroes,

Jessica Elwell  
Executive Director  
Everyone for Veterans

## Mission Accomplished: Christophe's Story

Christophe is an Army veteran who was deployed to Iraq as a Signal General with Tactical Strategic Communication, where he set up communications for outposts.

When he came to E4V he was dealing with severe chronic pain that impacted all aspects of his life. He was sleeping on a sofa and working a number of part time jobs, including driving for Uber, to make ends meet.

We were able to assign Christophe to a volunteer dentist in his community to begin restoring adequate function, relieving pain and infection, and establishing adequate aesthetics. While working with our team, we learned of his poor sleep situation, and we were able to connect him to a Wingman volunteer that arranged for a new bedframe and mattress for him.

Now that his dental treatment is complete and he is sleeping comfortably, his life has improved dramatically. He has been able to become a full-time teacher and active member of his community. Now that he is well rested and pain free, he is able to be the engaged father that he has longed to be.

In a recent letter to E4V, Christophe shared what his experience was like, "Dr. Blank is truly incredible! I walked into his office just a few months ago and I had been in serious pain daily and increasingly throughout the last years. It had become unbearable. It affected my thinking, my work...my everyday life! And then Dr. Blank, an angel brought by you, immediately attacked and defeated that painful demon. Since then, things have also taken a turn for the better as I can think more restfully and clearly. God bless Dr. Blank and everyone at Everyone for Veterans."
